

MIST SPRAY ADHESIVE

ICA313

DESCRIPTION:

This mist spray adhesive is the one true all purpose adhesive. This unique product utilizes an advanced rubber system to create a product versatile enough for everything from crafts to labels to industrial applications. It's high heat resistance (over 200°F) allows use in a variety of environments. The formula is pressure sensitive with fast tack and forms an ultimate permanent bond. Non-staining, the conical mist spray pattern has minimal overspray and resists melting while retaining the same strong tack and adhesion. Formulated with the environment in mind, this product contains no chlorinated solvents, carcinogens, or ozone depleters and cleans up easily with mineral spirits. 20 net 14 oz can.

DANGER:

Contains Cyclohexane and Acetone. Extremely Flammable. Use with adequate ventilation. Keep away from heat, sparks, open flame or other ignition sources. Harmful or fatal if swallowed. Do not take internally. If swallowed, do not induce vomiting. Contact a physician immediately. Vapor harmful. Avoid inhalation of spray mist or vapors. If overcome, move patient to fresh air. Call a physician immediately. Eye irritant. Avoid contact with eyes and skin. In case of eye contact, flush immediately with water and continue for 15 minutes. If irritation persists, see a physician. For skin contact, wash with soap and water. If irritation persists, call a physician immediately. Contents under pressure. Do not puncture or incinerate container. Do not store at temperatures above 120°F. KEEP OUT OF REACH OF CHILDREN.

SPILL OR LEAKAGE PROCEDURES: Do not flush to sewer. Absorb with suitable material and dispose of according to local, state and federal regulations. Aerosol cans when vented to atmospheric pressure through normal use, pose no disposal hazard.

PRODUCT SPECIFICATIONS:

Wt./20oz. can:	14 Oz. (397 grams)
Equivalent to:	19.6 Fluid Ounces
Classification:	Aerosol Adhesive
General Appearance:	Opaque
Color:	Off White
Odor:	Acetone
pH:	N/A
Vapor Pressure At 70°F:	60 psig max.
Spray Pattern:	Conical Mist
Flammability:	Extremely Flammable per CPSC Flame Projection Test
NFPA Code 30B:	Level 3
